THE NEW BETHLEHEM TOWN BUILDING

Presented to the Town by General George T. Cruft

It is with no little degree of satisfaction on the part of your selectmen that we recognize the magnificent gift of Gen. George T. Cruft to the Town of Bethlehem in the splendid Library and Town Building, which the voters will christen on Town Meeting day this year. Bethlehem people feel a deep sense of pride, not alone in the possession of so beautiful a structure in which all may feel a degree of ownership, but also in the possession of a citizen of such generosity and public spirit as Gen. Cruft, who takes this method of showing his love for the town in which he has spent so many pleasant years and which he still chooses to call his home. As we gather in this new building from year to year, even to the generations to come, we can but do homage to one who has so well remembered Bethlehem in so practical a manner.

FRED D. LEWIS,
W. S. WALLACE,
MICHAEL FINN,

The selectmen desire that the people of Bethlehem shall have due appreciation of the work done on the Bethlehem roads this year through the cooperation and financial assistance of J. J. and J. G. M. Glessner. They have built the stretch of road past the Cheney place for \$4000, which has cost upwards of \$6000, and the work on the Wallace Hill, which amounted to hundreds of dollars, was done at no expense to the town whatever.

Respectfully submitted,

ARTHUR E. BOWLES, Treasurer.

Auditor's Report

I have this day audited the accounts of Arthur E. Bowles, treasurer of the town school district, and find the accounts properly kept and vouched for the same. The balance on hand is \$1,415.85.

Feb. 15, 1913.

C. H. HAZEN, Auditor.

ESTIMATES FOR 1913

As required by law the following estimates are submitted for the fiscal year ending Feb. 15, 1914:

Money required by law	\$1,550 00
Books and supplies	200 00
High school tuition	800 00
Flags and appurtenances	15 00
Salaries and expenses of school board	50 00
Truant officer	10 00
Other district officers	25 00
Needed for repairs	100 00

Insurance	\$ 75 00
Additional amount needed	275 00
Income from state Dec. 1913	

Owing to an increase of over 64 per cent in the valuation of the town school district the past year, state aid (of which we received over \$700.00 last year) was not apportioned our district this year.

On this account, it will be noticed, we have increased some of the estimates for 1913.

The district's appropriation was overpaid this year, which accounts for our large balance.

JOHN WHYTE,
F. P. SHATTUCK,
E. E. CRANE,
School Board.
